RESOLUTION

Resolved, the Advisory Neighborhood Commission of 5C have the authority to exercise great weight on the decisions of government agencies specifically with regards to zoning and alcohol and beverage laws and regulations, and therefore shall inform of the opposition regarding the substantial change application for a liquor license # ABRA-100950 submitted by MB, LLC for **2409 Franklin Street NE**, which is located within the boundaries of 5C;

Whereas, the applicant has asked for “substantial changes” to the existing liquor license to include a change from Retailer “B” Grocery to Retailer “A” Liquor Store; and change in hours of operation to stay open until 10:00 PM daily and be allowed to be open on Sunday.

Whereas, the applicant is located on the interior of the Woodridge neighborhood, situated among quiet single family homes, adjacent a large park and a substantial church.

Whereas, neighbors adjacent to the applicant’s location have expressed a concern that already exists with loitering, public urination and other similar issues. Neighbors are justifiably concerned these changes to the liquor license will have a negative impact on the neighborhood peace, order and quiet.

Whereas, neighbors adjacent to the applicant’s location have expressed further concern that these changes will have a negative impact on parking and safety of vehicles and pedestrians.

Therefore, ANC 5C shall petition to the Alcohol and Beverage Administration to deny the application license number ABRA-100950 at this time;

ANC 5C designates the following as representative for the ANC's protest:
Commissioner Nolan Treadway.
